

Position: Math Teacher (Grades 6-12)

Online Part-Time

Location: Remote (Applicants must be located in the USA, Canada, UK, Australia, New Zealand, or South Korea)

Colossal Academy, in collaboration with Outschool, is seeking a dynamic Online Math Teacher for grades 6-12. Embrace our mission to blend academic excellence with practical relevance, preparing students for the future with innovative teaching methods.

Responsibilities:

- Design and teach Math curriculum with a focus on real-world applications.
- Foster an engaging online learning environment.
- Customize learning experiences to meet individual student needs.
- Assess and provide feedback to support student achievement.
- Assist in the development and refinement of Math curriculum.

Requirements:

- Experience in teaching Math online to grades 6-12.
- Proficiency in mathematical concepts and teaching strategies.
- Bachelor's Degree in Mathematics, Education, or related field.
- Exceptional communication skills and digital fluency.
- Passion for teaching and commitment to student success.

Compensation:

\$40 per hour + bonus incentives for outstanding reviews and curriculum enhancement efforts.

Background Check:

Completion of a satisfactory background check through Outschool is required for all successful applicants.

To Apply:

Interested candidates should submit the following:

1. A brief cover letter that explains your teaching philosophy and your approach to online education.
2. A current resume highlighting relevant teaching experience.
3. A 10-minute instructional video that includes an icebreaker activity and introduces a lesson that incorporates real-world applications. Please provide the link to an unlisted YouTube video.

Please send documentation to: online@colossal-academy.com write "Math Teacher (Grades 6-12)" in the email subject headline.

Selected candidates will be notified and will proceed to the interview stage.
