

Position: Science Teacher (Grades 6-12)

Online Part-Time

Location: Remote (Applicants must be located in the USA, Canada, UK, Australia, New Zealand, or South Korea)

Engage with Colossal Academy and Outschool as an Online Science Teacher. Ignite curiosity and prepare students for a future where they can effectively apply scientific knowledge through practical, real-world applications.

Responsibilities:

- Develop and conduct science lessons that emphasize real-world applications.
- Create an interactive and explorative online environment.
- Adapt teaching methods to meet diverse student needs.
- Collaborate on science curriculum development focusing on practical implications.

Requirements:

- Proven experience in online science teaching for grades 6-12.
- Proficiency across various scientific disciplines.
- Bachelor's Degree in Science, Education, or related field.
- Excellent communication and digital literacy.
- Passion for engaging education and science.

Compensation:

\$40 per hour + bonus incentives for outstanding reviews and curriculum enhancement efforts.

Background Check:

Completion of a satisfactory background check through Outschool is required for all successful applicants.

To Apply:

Interested candidates should submit the following:

1. A brief cover letter that explains your teaching philosophy and your approach to online education.
2. A current resume highlighting relevant teaching experience.
3. A 10-minute instructional video that includes an icebreaker activity and introduces a lesson that incorporates real-world applications. Please provide the link to an unlisted YouTube video.

Please send documentation to: **online@colossal-academy.com** write "Science Teacher (Grades 6-12)" in the email subject headline.

Selected candidates will be notified and will proceed to the interview stage.
